

SUPERIOR VENDING POOL LEAGUES

FORMAT: All Superior Vending leagues are handicapped leagues, using the ERO Stats MVP Point scoring system. The system takes into account both the points you score but also the points you give up to come up with an accurate representation of each player's skill level. (For more info on the scoring system, contact League Director Corey Voegelé at 612-749-0169.)

SEASONS: We offer a Fall/Winter season that runs from after Labor Day through March, and a Summer season that runs from around Memorial Day through August.

LEAGUE LOCATIONS: We currently offer an in-house league on Tuesday nights at Biff's Sports Bar in Spring Lake Park, a traveling league in the north Twin Cities metro area, a traveling league in the St. Croix Valley area, and a traveling league in the Ellsworth area in Wisconsin.

INCLEMENT WEATHER: Superior Vending will NEVER cancel matches due to bad weather. Matches missed due to weather will not be considered forfeits unless a team no call/no shows.

TOURNAMENTS: Superior Vending leagues qualifies you for MOMA (Minnesota State), WAMO (Wisconsin State), MSPDA (Metro State Players Dart Association), and Superior Year-End, as well as VNEA. Not all leagues qualify you for all tournaments, so please verify when signing up that your league counts toward the tournament(s) you want to play.

MORE INFORMATION: Call or text League Director Corey Voegelé at 612-749-0169.
